## First Nation Band Administration Conference and Golf Tournament

Spirit Ridge Vineyard Resort & Spa at Osoyoos First Nation

Today, more than ever, it is critical that First Nations take the necessary steps to ensure management competencies in administration are balanced with in their communities. This two-day forum will provide valuable information and tools to assist with the development of your management practices – whatever stage you are at.

Don't miss this important opportunity to hear success stories related to leadership and good management, as well as networking with other professionals in a spectacular setting!

### Who Should Attend?
