The Aboriginal Financial Officers Association (AFOA) of Manitoba, Inc. is holding implementation workshops on Tangible Capital Assets (TCA) and Financial Reporting under the Common Government Reporting Model. There will be 3 workshops as follow-up to the AFOA Canada First Nations Financial Reporting – Tangible Capital Asset Workshops recently held in Winnipeg and The Pas in October 2009.

The locations selected are Thompson, Winnipeg, and Dauphin. You can attend either location as the agenda will be the same for all three sessions. Our goal is to provide the workshop at these 3 locations for maximum participation and benefit for all communities. To help with local preparations, your attendance choice is requested as soon as possible. Participants are responsible for their own travel costs.
