

Members of the Coalition

35 First Nations from the North Coast to the North East of British Columbia comprise the Coalition

The First Nations Major Projects Coalition

A business capacity building and support tool that is led by First Nations for First Nations. This work is...

- Community driven and nation-based
- Non political and business focused
- Undertakes technical work at the request of our members to build capacity

As taken from the founding constitution:

The purposes of the Coalition are to work collaboratively, cooperatively and cohesively towards the enhancement of the economic well-being of its members, understanding that a strong economy is reliant upon a healthy environment supported by vibrant cultures, languages and expressions of traditional laws.

Focus of the Coalition's Work...

The work of the Coalition acts as a “toolbox” to provide coordination and capacity support to the communities by request including:

- Assistance with sourcing credible project partners (industry experts)
- Assistance with advancing issues with different levels of government
- Guidance with the application of project ownership tools including: corporate structures, wealth management and benefit sharing models, taxation implications, innovative financing models (loan guarantees)
- Application of First Nation led environmental standards and processes
- Community capacity readiness, gap analysis, and support
- Facilitate effective and timely communication between all members
